Group HR, Larsen & Toubro and
Chairperson - HR Convention**

"The HR Convention - Business Raising a Toast  to HR"

Is aimed to provide CEOs, CHROs, business heads, HR leaders, practicing managers, consultants and students, ideas about how to leverage human capital. The way we produce, consume, engage, learn, manage, lead, communicate has changed dramatically. The change has wide ranging implications for us in business. For business, there is a need to continuously engage with diverse audiences about the implications on the world of work and people strategies and hence the timing of this convention is apt.

The session content has been curated to make this convention very special and standout amongst plethora of seminars and conferences that vie with each other for audience attention.
