

BMA Leadership Cafe

A Metric That Matters : Employee Empowerment in MSME

Peer-To-Peer Discussion

Saturday, Sep 17 2022
10 AM – 1 PM | Mumbai

HOW IT WORKS :

This edition of BMA Leadership Cafe brings a homogenous gathering of CEOs/Founders/Leaders/Senior professionals from in and around Mumbai to brain-storm solutions related to critical issues of employee empowerment faced by their organizations. It's an exceptional opportunity to be a part of the HR peer-to-peer discussion, and listen to the views of the invited senior HR experts from the industry. Most importantly, you understand how top companies are dealing with those challenges and you get the inspiration of how you can improve your team's engagement. The objective would be to find sustainable solutions in a cost-effective manner with an ease of implementation.

ABOUT BMA :

Since its establishment in 1954, Bombay Management Association (BMA) has constantly pioneered and launched several initiatives to enhance managerial effectiveness, and leadership development and improve the standards of Business Management in India. It is widely regarded as one of the best management associations in the country resulting in over 1.50 lakh managers trained so far. All India Management Association (AIMA) has awarded BMA with 'Best Local Management Award' seven times since its inception.

Peer-to-Peer Discussions :

Help your peers find innovative solutions to challenging problems through open discussions in which each participant contributes to the conversation. The outcome is a 360-degree analysis and practical recommendations from top HR experts.

HR Expert's Views :

Access HR experts and decision-makers who have an insight into the evolving HR strategies. They can bring a fresh outlook to your attrition related challenges as well as give an outside-in view of the situation.

Networking :

Our event is a gathering of HR professionals, reputable solution providers, and industry experts. It's an exceptional opportunity to expand your network in Mumbai and discuss the latest challenges in the HR space.
