### ABOUT BMA:

Since its establishment in 1954, Bombay Management Association (BMA) has constantly pioneered and launched several initiatives to enhance managerial effectiveness, and leadership development and improve the standards of Business Management in India. It is widely regarded as one of the best management associations in the country resulting in over 1.50 lakh managers trained so far. All India Management Association (AIMA) has awarded BMA with 'Best Local Management Award' seven times since its inception.

# DISCOVER THE NEW HR

The role of HR is continuously evolving, and HR professionals always strive to learn the advancement in technologies, trends and operational changes shaping the future of business. HR needs to be agile in adapting to those changes in order to effectively support employee development, recruitment and talent retention.

Join us at the HR Conference 2023 organized by Bombay Management Association where the invited industry experts are going to deep dive into the emerging challenges the industry has been facing and discover the NEW HR.
